Each player should have 2 wood bats with him. After the tournament, wood bats are an excellent training tool.

- All Players need to be in uniform and fully dressed 1 hour prior to game time
- All players should send a text message to Coach Mas w/ your name in the body.
- Most communication will be via text
- Be prepared for the games by bringing water, chapstick, sun block and bug spray (believe me !! Last summer the bugs carried off a player)
- At time of print both tournament schedules were not completed we will let you know as soon as I know.
- Please consult Higley High Baseball Website www.higleyhighbaseball.org
- Baseball website has post with coupon code to buy discount woodbats from www.hittersinc.com or bats can be purchased in bulk through mattingly baseball, see coach mas for further details.
- Cost for the summer will be \$80. A check can be written to: **Higley High Baseball Booster Club**. Any player that hasn't paid cannot participate.
